

# **Refusal To Submit Aadhaar**

## **To Whomsoever It May Concern**

In exercise of my Fundamental Rights to Life and Liberty, Privacy Rights and other Fundamental Rights conferred upon me by Part III of Indian Constitution, I have decided not to enroll for Aadhaar/not to submit my Aadhaar number (tick one). I also have no intention to enroll for Aadhaar/submit my Aadhaar number (tick one) in future as well. So your demand to link my bank account/mobile phone number/any other service (tick one) with Aadhaar is not only illegal but is also irrelevant.

So I hereby request you to cease and desist from sending me any messages, mail, telephone calls, in person messages, etc regarding linking/seeding/EKYC of Aadhaar with my bank account/mobile phone number/any other service (tick one) in future. Such continued messages would be treated as spam and privacy violation by me for which I reserve all the rights to sue you and seek adequate compensation under Indian laws.

Please note that as per the Interim order of a Constitution Bench of Hon'ble Supreme Court, Aadhaar is absolutely optional for all purposes and services including DBT, Jan Dhan Accounts, Bank Accounts, Mobile Number Verifications, Stock Dealings, Passports, PF, Pensions, Salary, Admissions, Etc. Please see <http://perry4law.co.in/news/?p=103> for the order of Supreme Court and other details that clearly prove that Aadhaar is absolutely optional for enrollment and linking.

This Application has been made in duplicate and you are requested to countersign on my copy to acknowledge the due receipt of the same. Any further demand for Aadhaar by you, in any manner whatsoever, after the date of this application would be treated as violation of my Fundamental and Statutory Rights and I reserve all rights to sue you for the same.
